Directors' Report

The directors present their report and accounts for the year ended 31 January 2020.

Principal activities

The company's principal activity during the year continued to be the operation of a steam railway.

Directors

The following persons served as directors during the year:

J K Trigg (resigned 30 August 2019)
Mrs S C Crowther (resigned 2 November 2019)
M R Mitchell (resigned 13 August 2019)
D R Simmonds (resigned 13 August 2019)
R J Dutton-Forshaw (resigned 4 September 2019)
P Greenwood (resigned 24 February 2020)
M R Rossiter
S J Baggott (appointed 21 August 2019, resigned 5 August 2020)
S N Evans (appointed 14 September 2019)
A J Houghton (appointed 19 December 2019)
R H Lacey (appointed 21 August 2019)
J F G Russell (appointed 21 August 2019)
L P Kenchenten (appointed 21 August 2019, resigned 15 March 2020)

Disclosure of information to auditors

Each person who was a director at the time this report was approved confirms that:

- so far as he is aware, there is no relevant audit information of which the company's auditor is unaware; and
- he has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Small company provisions

This report has been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime.

This report was approved by the board on 2/10/20 and signed by its order.

M R Rossiter
Director

Mid-Hants Railway Limited
Statement of Directors' Responsibilities

The directors are responsible for preparing the report and accounts in accordance with applicable law and regulations.

Company law requires the directors to prepare accounts for each financial year. Under that law the directors have elected to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Mid-Hants Railway Limited
Independent auditor's report
to the members of Mid-Hants Railway Limited

Opinion

We have audited the accounts of Mid-Hants Railway Limited for the year ended 31 January 2020 which comprise the Profit and Loss Account, the Balance Sheet and notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the accounts:

- give a true and fair view of the state of the company's affairs as at 31 January 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the accounts section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the accounts is not appropriate; or
- the directors have not disclosed in the accounts any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the accounts are authorised for issue.

Other information

The other information comprises the information included in the report and accounts, other than the accounts and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Mid-Hants Railway Limited
Independent auditor's report
to the members of Mid-Hants Railway Limited

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the accounts in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

M R Rossiter

Director

Approved by the board on 2/10/20.

Mid-Hants Railway Limited
Notes to the Accounts
for the year ended 31 January 2020

1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland (as applied to small entities by section 1A of the standard).

Turnover and other income

Turnover represents sales, excluding value added tax, in respect of tickets for steam train experiences and rides, retail and catering goods supplied during the year and external engineering work undertaken. Payments received in advance are not included in turnover until the service is rendered or obligation fulfilled. Other Operating income includes management and administration charges received, grants received, miscellaneous land sales and sundry donations received. Income received relating to future costs, has been deferred until the expenditure is incurred.

Tangible fixed assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Freehold land and property	Nil-2%
Plant and machinery	Nil-25%
Assets under construction	Nil

Locomotives are depreciated over the length of their boiler certificate (usually 10 years) down to their residual value. Where a locomotive, owned by independent group, is overhauled by the company and a long term hire agreement is in place, the costs incurred are capitalised. Costs are depreciated on a straight line basis over the expected useful life (usually 10 years).

Other than the engineering workshops at Ropley, which are depreciated at 2% per annum, freehold land and buildings, track and certain coaches are not depreciated below their residual values. In the opinion of the directors it is the company's purpose to restore, preserve and keep these assets in good repair for the future.

Freehold property consists mainly of historic buildings which have long economic lives and high residual values. Therefore any depreciation charge would be immaterial. The directors are of the opinion that no circumstances causing an impairment have occurred. The company has taken advantage of the transitional provisions to retain revalued assets at book values, no revaluation was carried out at transition.

Plant and equipment includes locomotives, rolling stock and track

Assets under construction are not depreciated until they are brought into use. The company capitalises direct wages and employers national insurance in respect of internal capital projects.

Coaches are deemed to have a residual value of £5,000 and once items reach that value no further depreciation is charged. Coaches that had a lower book value than this at the start of the year will continue to be held at that value.

Mid-Hants Railway Limited
Notes to the Accounts
for the year ended 31 January 2020

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost is determined using the first in first out method. The carrying amount of stock sold is recognised as an expense in the period in which the related revenue is recognised.

Debtors

Short term debtors are measured at transaction price (which is usually the invoice price), less any impairment losses for bad and doubtful debts.

Creditors

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.

Taxation

A current tax liability is recognised for the tax payable on the taxable profit of the current and past periods. A current tax asset is recognised in respect of a tax loss that can be carried back to recover tax paid in a previous period. Deferred tax is recognised in respect of all timing differences between the recognition of income and expenses in the financial statements and their inclusion in tax assessments. Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date and that are expected to apply to the reversal of the timing difference, except for revalued land and investment property where the tax rate that applies to the sale of the asset is used. Current and deferred tax assets and liabilities are not discounted.

Leased assets

A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership. All other leases are classified as operating leases. The rights of use and obligations under finance leases are initially recognised as assets and liabilities at amounts equal to the fair value of the leased assets or, if lower, the present value of the minimum lease payments. Minimum lease payments are apportioned between the finance charge and the reduction in the outstanding liability using the effective interest rate method. The finance charge is allocated to each period during the lease so as to produce a constant periodic rate of interest on the remaining balance of the liability. Leased assets are depreciated in accordance with the company's policy for tangible fixed assets. If there is no reasonable certainty that ownership will be obtained at the end of the lease term, the asset is depreciated over the lower of the lease term and its useful life. Operating lease payments are recognised as an expense on a straight line basis over the lease term.

Pensions

Contributions to defined contribution plans are expensed in the period to which they relate.

Mid-Hants Railway Limited
Notes to the Accounts
for the year ended 31 January 2020

Going concern

The business benefitted from a good Flying Scotsman event just before lockdown which put it in a healthy position financially. The railway was then forced to close and the majority of staff were furloughed. The railway is running again with a revised service and format as a result of the current government guidelines. This is allowing passengers to travel once more and seeing income flow into the company. The company has secured a CBIL loan and a heritage lottery grant. All overheads and capital expenditure are being constantly reviewed and plans for investment continually monitored.

At the time of approving the financial statements, based on cashflows and best estimates of future income and expenditure the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future despite the impact of Covid-19 on their sector, thus the directors continue to adopt the going concern basis of accounting in preparing the financial statements.
